Coral Club — is a community of like-minded people who, by choosing the Company's products, choose positive changes. A healthy lifestyle is the foundation of our community, and Coral Club is a place where you can meet people who share the values of health, beauty, and personal development.

You can join the Club by recommendation — an invitation from a Club Member. The recommender is your guide to the products and your gateway to the world of business opportunities that Coral Club offers to consumers and distributors. If any of your family members (spouses, both in registered and unregistered relationships but living together; parents; children; siblings) is already a Club Member, you should indicate them as your recommender.

If you register in the Club independently, without a recommender, use the automatic consultant selection system. Depending on your location, the service will assign a consultant who will help you navigate the product range for wellness, guide you through comprehensive programs, and answer all questions arising during product use or interaction with the Company. The processing of personal data when using the service is carried out in accordance with Regulation (EU) 2016/679 (GDPR), in particular Art. 6(1)(b) and 6(1)(f) GDPR.

Why join the Club?

Club Members receive a permanent 20% discount on all Coral Club products and other brand lines, as well as access to seasonal special offers and promotions, the opportunity to receive cashback, study free of charge, and participate in wellness events organized by the Company. It is important to understand that by registering with Coral Club, you become a participant in a discount program (as in any store when registering a discount card) and do not become an employee, staff member, or legal representative of Coral Club. The terms of participation are governed by applicable provisions of German civil law, including §§ 305–312k BGB.

In our relations with Club Members, we adhere to the principles of maximum openness and honesty. Please review the rules for Club Members and comply with them so that your experience of interacting with the Company is pleasant and comfortable. Commercial practices comply with the requirements of the Act against Unfair Competition (UWG).

Once you register and receive a unique club number, you will be assigned the status of a Club Member Candidate. If you do not make a purchase within 30 days, your club number will be deactivated.

To obtain a lifetime discount, place a starter order (purchase for any number of points) and move to the status of Consumer.

Consumer — a Club Member with a unique club number that provides the opportunity to purchase Coral Club products at club prices, receive bonuses for purchases by recommendation, and for inviting new Club Members. Each Consumer also has a personal referral link, which allows you to share the discount with friends in 2 clicks. Go to your personal account, copy the link, and send it to your friends. When registering via your link, your friends and acquaintances will also be able to receive a 20% discount on purchases at Coral Club, and you will receive cashback from each purchase made through your recommendation. The processing of personal data of program participants is carried out in accordance with GDPR (Art. 6(1)(a), 6(1)(b)).

The more you purchase and recommend, the more cashback you receive: when accumulating 500 points from personal purchases (personal volume) and purchases made through your recommendation (group volume), you will receive increased cashback — 10% of the point value of orders and a new status of Premium Consumer.

The next level — Director — allows you to receive additional bonuses in the form of 25% cashback from all purchases and additionally from 10 to 25% from purchases of those who joined the Club through your recommendation and indicated you as their recommender.
